Accessories

Certain decorative chrome door handle covers, sold as aftermarket accessories through Ford dealers, may affect compliance to Canada Motor Vehicle Safety Standard (CMVSS) 206 – Door Lock and Door Retention Components. These accessories may cause the door handles to fail to conform to the inertial load requirements of the standard. A door handle fitted with a chrome cover could unlatch due to inertial loads during a side impact crash if the door were unlocked, which would increase the risk of injury. Correction: Covers will be removed from vehicles and owners will be reimbursed for parts and labour.

Listed for the model year, not checked against your VIN. Ford confirms which apply.
