### 3 recalls listed by Transport Canada for this model year

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                     |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|
| <b>Label</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | 2024548 15 Aug 2024 |
| Issue: On certain vehicles, the tire and loading information label does not list that there is no spare tire in both official languages. The label reads as "NONE" when it should read as "NONE / AUCUN". Canadian regulations require the information to be listed on the label in both English and French. Safety Risk: This error does not affect vehicle safety. Corrective Actions: This is not a recall. The company has corrected the tire and loading information label for all new vehicles. |                     |
| <b>Airbag</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 2024168 14 Mar 2024 |
| Issue: On certain vehicles, the side curtain airbag inflators could be defective. As a result, the driver and/or passenger side curtain airbag inflator(s) could rupture unexpectedly and metal fragments could be propelled toward vehicle occupants. Safety Risk: An airbag inflator that ruptures can create a risk of injury. Corrective Actions: FCA will notify owners by mail and advise you to take your vehicle to a dealership to replace both side curtain airbag modules.                 |                     |
| <b>Structure</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 2021422 8 Jul 2021  |
| Issue: On certain vehicles, the windshield may not be properly attached. As a result, the glass can become loose and could separate from the vehicle in a crash. Safety Risk: A windshield that detaches in a crash could create an increased risk of injury. Corrective Action: FCA Canada will notify owners by mail and instruct you to take your vehicle to a dealer to remove and reinstall the windshield.                                                                                      |                     |

Listed for the model year, not checked against your VIN. Dodge confirms which apply.

**STATEMENT OF SCOPE**

This record is what public sources held about this vehicle when Cardog read it, each fact cited to its source. It read the VIN decode, Transport Canada's recall listing, NHTSA's recall records, Cardog's market quote, live public dealer listings and the window sticker. Recalls are listed for the model year, not checked against this VIN; the manufacturer confirms which apply. It is not a vehicle history or ownership report, and it carries no owner information.
