3 recalls listed by Transport Canada for this model year

Electrical 2013325 25 Sep 2013

On certain vehicles, the stop lamp switch may fail and cause intermittent operation of the brake lights. Failure of the brake lights to illuminate when the brake pedal is depressed could result in a crash causing property damage and/or personal injury. Correction: Dealers will replace the switch.

Electrical 2013099 3 Apr 2013

On certain vehicles, the stop lamp switch may fail and cause intermittent operation of the brake lights. Failure of the brake lights to illuminate when the brake pedal is depressed could result in a crash causing property damage and/or personal injury. Correction: Dealers will replace the switch.

Lights and instruments 2009120 23 Apr 2009

On certain vehicles, the stop lamp switch may have been incorrectly installed during vehicle assembly. This could prevent proper brake lamp operation. Failure of the brake lamps to illuminate when the brakes are applied may result in the following road users being unaware of the driver's intentions, increasing the risk of a crash causing injury or death. A malfunction of the switch may also cause the brake lamps to remain illuminated when the brake pedal is released. Additionally, a faulty switch may affect the operation of the brake-transmission shift interlock on automatic transmission-equipped vehicles so that the transmission shifter would not be able to be shifted out of PARK position. It may also cause the Electronic Stability Control (ESC) light to illuminate, and it may not deactivate the cruise control when the brake pedal is depressed. Correction: Dealers will replace the stop lamp switch assembly.

Listed for the model year, not checked against your VIN. Hyundai confirms which apply.

SOURCES

- | | |
|---|--|
| [1] Cardog identity register, decoded from the VIN | [4] Cardog market quote, same model year, 2 live listings, as of 28 Oct 2026 |
| [2] Transport Canada recall database, listed for the model year | |
| [3] NHTSA recall records (United States), listed for the model year | [5] Live public dealer listings on Cardog, as of 28 Oct 2026 |

STATEMENT OF SCOPE

This record is what public sources held about this vehicle when Cardog read it, each fact cited to its source. It read the VIN decode, Transport Canada's recall listing, NHTSA's recall records, Cardog's market quote and live public dealer listings. Recalls are listed for the model year, not checked against this VIN; the manufacturer confirms which apply. It is not a vehicle history or ownership report, and it carries no owner information.
