### 1 recall listed by Transport Canada for this model year

#### Label

2022708 13 Dec 2022

Issue: On certain vehicles, the airbag warning labels are located on the headliner under the sun visors. Canadian regulations require information about the airbag system to be provided on both sides of the sun visor. Safety Risk: This small error does not affect safety. Corrective Actions: This is not a recall. Maserati has made changes to ensure that all new vehicles have the airbag warning labels installed correctly.

Listed for the model year, not checked against your VIN. Maserati confirms which apply.
