6 recalls listed by Transport Canada for this model year

Label 2024548 15 Aug 2024

Issue: On certain vehicles, the tire and loading information label does not list that there is no spare tire in both official languages. The label reads as "NONE" when it should read as "NONE / AUCUN". Canadian regulations require the information to be listed on the label in both English and French. Safety Risk: This error does not affect vehicle safety. Corrective Actions: This is not a recall. The company has corrected the tire and loading information label for all new vehicles.

Accessories 2017663 22 Dec 2017

On certain vehicles equipped with the Roadside Emergency Kit containing a Kidde fire extinguishers with black plastic handles and valves, the fire extinguishers may become clogged or require excessive force to activate. Also, the nozzle may detach from the valve assembly with enough force that it could cause injury, and fail to discharge. In case of fire, failure of the extinguisher to function could result in injury and/or property damage. Correction: Dealers will replace the suspect Kidde fire extinguisher with a new Kidde fire extinguisher with a steel nozzle. For more information about recalled fire extinguishers, please visit <https://inmarmarketaction.com/kidde/Kidde284CA/> or www.kidde.com.

Label 2017467 26 Sep 2017

Certain vehicles may fail to comply with the requirements of Canada Motor Vehicle Safety Standard 110 - Tire Selection and Rims. The Placard ("Information - Tire & Loading" label) may not contain the correct vehicle capacity mass, total number of occupants, tire pressure and/or "none" designation for the spare tire when a full size spare tire is present. Correction: Dealers will replace the incorrect Placard ("Information - Tire & Loading" label).

Powertrain

2016361 13 Jul 2016

On certain vehicles equipped with an automatic transmission, the transmission wire harness may have improper crimps. This could cause an unexpected shift to neutral which could result in a loss of motive power, which in conjunction with traffic and road conditions, and the driver's reactions may increase the risk of a crash. Correction: Dealers will update the software of the Transmission Control Module (TCM), and replace the transaxle wire harness as necessary.

Lights and instruments

2016193 29 Apr 2016

*** This notice is provided for information purposes only as the subject equipment is not regulated under the Motor Vehicle Safety Act *** A safety defect may exist in some aftermarket Trailer Tow Light Control Modules supplied by Mopar as a service replacement part. The trailer tow lighting control module may contain a software error that may result in inoperative trailer brake lights after the first actuation of the brakes. Towing a trailer with inoperative brake lights may increase the risk of a crash causing injury and/or damage to property. Correction: FCA Canada will notify owners who may have a suspect Trailer Tow Kit, and replace the Trailer Tow Light Control Module if required.

Electrical

2016187 27 Apr 2016

Certain vehicles equipped with a trailer tow lighting control module may not comply with the requirements of Canada Motor Vehicle Safety Standard 108 - Lighting System and Retroreflective Devices. The trailer tow lighting control module may contain a software error that may result in inoperative trailer brake lights after the first actuation of the brakes, which is contrary to the standard. Towing a trailer with inoperative brake lights may increase the risk of a crash causing injury and/or damage to property. Correction: Dealers will replace the Trailer Tow Light Control Module.

STATEMENT OF SCOPE

This record is what public sources held about this vehicle when Cardog read it, each fact cited to its source. It read the VIN decode, Transport Canada's recall listing, NHTSA's recall records, Cardog's market quote and live public dealer listings. Recalls are listed for the model year, not checked against this VIN; the manufacturer confirms which apply. It is not a vehicle history or ownership report, and it carries no owner information.
